TEACHERS ASK FOR MORE SCHOOL FUNDS

PETITIONS BEING CIRCULATED BY TEACHERS ORGANIZATIONS

DIRECTION STATE BOARD

Action of Public Would Eliminate Long Delay of Passage of Constitutional Amendment.

Petitions will be presented to the citizens of this county urging the State Board of Equalization to assess the valuation of property in Missouri at full market value so as more funds can be secured to place the schools of the State on a sound basis and to pay adequate salaries to teachers. These petitions will be circulated by the teachers' organization of the various communities over the county.

Teachers all over the state are circulating these petitions. Unless this effort bears fruit, there will be the long delay incident to the passage of a constitutional amendment. Such a delay would be injurious to the school for funds could not be realized from this method until too late for the 1920-21 school year.

The petition is as follows:

To the Honorable, the State Board of Equalization of Missouri.

Whereas instruction in the schools of Missouri has been seriously impaired by lack of sufficient funds to employ well trained teachers, and whereas this condition will become worse during the next year unless immediate relief is afforded therefore

We, the undersigned, citizens of Nodaway county over twenty one years of age, do hereby petition the honorable State Board of Equalization to make such increase in the assessed valuation of property in Missouri this year as will furnish sufficient funds to place the schools of the state on a sound basis, to pay more adequate salaries to teachers, and to give the children of Missouri educational opportunities equal in every way to those afforded by other progressive states.

START WORK ON WILCOX BANK BLDG.

WILL PROBABLY BE READY FOR BUSINESS JUNE 1.

GUS SHELL, PRESIDENT

Stockholders Meet Yesterday and Elect Officers—State Charter has Been Grnated.

Work on the new building for the Farmers State Bank of Wilcox will be begun immediately and the directors expect to have it ready for occupancy by June first, when the bank will open for business. The building will be a one story, 25 by 45 brick, modern bank building and will be on the lot directly west of the Sloan store.

The stock holders met yesterday and elected officers of the bank which was organized a few weeks ago. Those elected were Gus Shell, president; Jack Holt, vice president and R. Miller of Highland Kansas, cashier.

The board of directors are composed of A. J. Holt, R. Miller, S. H. Shell, J. C. Ware, B. C. Hall, V. K Ferguson, Gus Shell, A H Hughes and Howard Garrett. A state charter to conduct a banking business was granted last week. The bank is capitalized at $15,000 and there are twenty seven stockholders living at Wilcox and that vicinity. The bank will not open for business until the new building is completed.

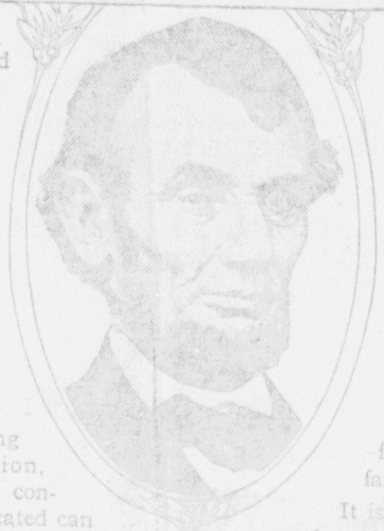
1809 LINCOLN 1865



Fourscore and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal.

Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated can long endure.

We are met on a great battlefield of that war, we have come to dedicate a portion of that field as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this, but, in a larger sense we cannot dedicate—we cannot consecrate—we cannot hallow—this ground. The brave men living and dead, who struggled here, have consecrated it far above our poor power to add or detract. The world will little note nor long remember what we say here, but it can never forget what they did here. It is for us, the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced.

It is rather for us to be here dedicated to the great task remaining before us—that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion; that we here highly resolve that these dead shall not have died in vain; that this nation, under God, shall have a new birth of freedom; and that government of the people, by the people, for the people, shall not perish from the earth.

GETTYSBURG, NOVEMBER 19, 1863

WILFRED ELLIS DIES IN ST. JOSEPH THIS MORNING

Was Employe of Maryville Electric Light Company—Funeral at St. Joseph.

Wilfred Ellis, for three years an employee of the Maryville Electric Light & Power Co., died early this morning at the home of his wife's parents at 535 West Chestnut street in St. Joseph from pneumonia. Mr. Ellis went to Grant City about three weeks ago to work, and during his absence his wife and two small children went to St. Joseph for a visit with her parents. On becoming ill with influenza Mr. Ellis went to St. Joseph, after which he contracted pneumonia. Mr. and Mrs. Ellis made their home at 121 North avenue in Maryville and previous to their residence here, lived in St. Joseph. Burial will probably be at the latter place.

MARYVILLE-HOPKINS B. B. GAME HERE TOMORROW NIGHT

French, Center, Able to Return to Team After Two Weeks Absence From Injury to Feet.

The Maryville and Hopkins high school basket ball boys will play a game here tomorrow night on the State Teachers college court. All the members of the Maryville team are in good shape for the game including French, center, who has been unable to play in the last two games because of an injury to his foot.

Maryville beat the Hopkins team in a game at Hopkins last Friday night by a score of 16 to 14 and the game tomorrow night will be a real contest for the Hopkins team are planning a revenge and the High school boys are equally as determined to be victors.

C. OF C. BANQUET SET FOR FRIDAY NIGHT POSTPONED

Amount of Illness Prevalent in Community Makes Gathering Inadvisable This Week.

The banquet and general public meeting to have been given Friday night at the First Christian church by the Chamber of Commerce, to present the proposition of building an addition to the central high school, has been postponed until a later date. The postponement is made on account of the amount of illness prevalent in the community and it will be held as soon as these conditions are better. The date of holding the meeting will probably be set at the next session of the Chamber of Commerce.

COUNTY PHYSICIAN ABOLISHED BY LAW

IN HIS PLACE WILL BE A DEPUTY STATE HEALTH COMMISSIONER.

APPOINTED FOR 3 YEARS

Selection to be Made by the County Court and Such Officer to Coordinate with the State Board.

The county court has received a circular letter from the state board of health calling its attention to the fact that the last legislature had abolished the county physician, and adding that it is now up to the court at its February term to appoint in place of the county physician a deputy state commissioner of health. The court is to meet on February 17 and will make the appointment then. The letter in part foll wa:

The appointment is for a term of two years. He shall prior to accepting the appointment enter into an agreement for compensation for services rendered. Duties of such officer will include visiting and quarantining all cases of quarantinable disease, visiting, releasing and fumigating all such cases, receiving reports upon reportable diseases from all physicians in his county, outside of incorporated cities, and reports from those cities through the city healt hofficer. These reports are to be compiled and a weekly report is to be made to the State Board of Health. Insanitary conditions and nuisances complained of are to be investigated. Each public school building and gorunds in his county is to be personally inspected once each year and report made upon the same. The sanitary condition of camps where ten or more men are employed is in his control.

To properly conduct the work, the health officer should have some one in his office at all times so that physicians may report their cases by telephone.

Placards for quarantining, as in the past, will be at the expense of the county. A variety of blank forms for reporting will be necessary. This department will furnish as many of these as our funds will permit.

Various suggestions have been received for arriving at a schedule of remuneration. Inasmuch as it is impracticable to estimate the services that will be required, the work being so much more extensive than that done in the past, it has been suggested that a fee system for services be considered. Provision should be made for an assistant when needed, which, of course in the average county is infrequent.

The consensus of opinion suggests a minimum of $5 for each visit under five miles and $1 a mile for each additional mile one way. The matter of compensation, of course, is entirely at your discretion, but we feel that the first duty of the County Health Officer is the protection of the public health in disease prevention and secondary his private practice.

RAILWAGE DEMANDS UP TO PRESIDENT

NO AGREEMENT REACHED AFTER WEEK'S CONFERENCE.

WILSON MEET WORKERS

Representatives of Railroad Men in Receptive Mood to Discuss Possibilities of Settlement.

Washington, Feb. 12.—President Wilson will meet three representatives of the railroad workers at the White House tomorrow.

It was stated at the White House the president is optimistic and confident that following the conference with the railroad workers "he will be able to reach a decision satisfactory to the employees, government and public."

Final settlement of the wage demands of the railroad workers rests with the President. After a conference lasting more than a week between Director General Hines and representatives of the railroad workers, it came to a halt last night without any agreement. Hines is prepared to take the entire matter to the President.

The president will meet the representatives of the railroad workers at 10:30 o'clock tomorrow morning to discuss with them their wage demands. The railroad workers representatives it is known today they would be in a receptive mood to discuss with the President the possibilities of a board tribunal providing the government will appoint such board immediately.

Detroit, Feb. 12.—The strike of the maintenance of way employees set for February 17 will not be called off under any circumstances until the demands of the employees are granted, it was said today at the office of President Barker.

HOME FROM CAMPAIGN TRIP PREDICTS MILLIGAN VICTORY

Charles McCaffrey Returns at Noon. Meets ex-Senator Hamilton Lewis of Chicago.

Prosecuting Attorney Charles F. McCaffrey returned today at noon from a few days campaigning trip in the third district in the interest of the candidacy of Captain Milligan.

Mr. McCaffrey delivered several speeches in that district. He predicts the election of Captin Milligan by a big vote but believes his majority will be cut down some on account of so much sickness on account of the flu. In Plattsburg, the home of the Republican candidate, John E. Frost, they are betting 3 to 1 on the election of Milligan, and 2 to 1 that Milligan will get 2,000 majority. The election in this district is to be held Saturday.

Mr. McCaffrey met ex-Senator Hamilton Lewis of Chicago who is making a number of speeches in that district. He took breakfast with Senator Lewis at St. Joseph Monday morning.

President Practically Recovered.

Washington, Feb. 12.—When the treaty fight is resumed Monday the president will be in command. So nearly complete recovery is the president, next week he will be able to sit at the White House and instantly to decide any and all issues which may be put up to him.

SEE WHAT 1820 DID.
WHAT WILL 1920 DO?

This is going to be quite a "centennial year," though not so much so as 1919 was. In 1920 will fall the one hundredth anniversary of the following important events:

The discovery of quinine.

The death of Daniel Boone.

The invention of percussion caps.

The invenution of friction matches.

The admission of Maine to the Union.

The invention of the daguerreotype.

The Spanish revolution under Riego.

The accession of George IV of England.

The passage of the Missouri compromise bill.

The election of James Monroe to the presidency.

The first appearance in America of Edmund Kean.

The introduction of India ruber shoes in America.

The first manufacture of carpenter's steel squares.

The beginning of steam navigation on Lake Michigan.

The first appearance of anthracite coal as an article of commerce.

The fourth United States census, which showed a total population of 9,633,822.

The establishment of the first steamship line between New York and New Orleans.—Boston Post.

Mrs. M. E. Bizeau of Chicago arrived in Maryville yesterday and is a guest of her brother, W. W. Stilwalt.

'SILENT ARMY' WILL BE RETURNED HOME

BODY OF EVERY SOLDIER DESIRED WILL BE BROUGHT TO U. S.

BEGIN WITHIN 2 MONTHS

A War Department Canvass Shows 44,309 Relatives Want Reburial and Movement will Start Soon.

Completed plans of the war department for bringing home the American soldier dead are made known simultaneously with the announcement that Ralph Hayes of Cleveland, Ohio, assistant to Newton D. Baker, secretary of war, will start abroad the end of this week as the personal representative of the secretary to get in touch with the work and bring back information for the department.

Exact statistics as to the number of dead in European countries, the locations and the plans and policies of the war department with regard to their return was disclosed. Two organizations have been bringing pressure to bear on the government from different directions, the Bring Home the Soldier Dead League, which asked that the bodies of American boys be returned home for final rest, and the Field of Honor Association, which advocates final burial of the men in "fields of honor" in the war country where they died.

Want 43,909 Bodies Returned.

The war department, which long ago promised the return of the body of every soldier whose relatives desired it, has committed itself to the policy of consulting and meeting the wishes of the parents or others who are the next of kin of the dead. In pursuance of this policy, the adjutant general's office sent out 74,770 cards to the next of kin, receiving 63,708 answers.

This preliminary canvass resulted in 43,909 requests for return to the United States, 19,499 requests for retention in Europe, and 300 requests for reburials in countries other than the United States. The initial questionnaire is to be checked by a "follow up" process. A month before each new cemetery is approached abroad, cards will be sent to the relatives of the men buried in that cemetery asking them to confirm their earlier requests or to make known if other disposition is desired.

As explained in the case of men buried elsewhere than in France, the bodies will be returned to this country unless there is request from relatives to the contrary. All bodies of American soldiers buried in Germany and Luxemburg are to be removed whether or not such action is requested. If so desired by the next of kin, these bodies will be sent back to the United States; if not, they will be re-interred in cemeteries in France. Bodies of men buried in France will be returned home provided it is so requested.

For the present the bodies buried in France, which can be removed for return to this country, are the 17,506 buried in the so-called "zone of the interior," one of the two zones into which the French government divided its country, and which is exclusive of the army territory. The latter is included in the so-called "zone of the armies," and there the vast majority of the American dead, 51,001, is buried. France has agreed to the return of the dead from the zone of the interior.

Some Negotiations Continue.

The return of those, whose relatives want them brought back from the zone of the armies, is still a subject of negotiations between the state department and the French government, but it is the confident expectation of the state and war departments that long before the work of bringing out the bodies from the zone of the interior is completed, the necessary [illegible] mission will be given for return of those of the 51,001 in the zone of the armies whose relatives want the bodies brought home.

To December 1, 1919, the graves registration service had registered 73,591 graves, distributed over eight countries of Europe. In addition, a number of graves of American dead buried in three graves in Austria-Hungary had been located, but not registered. The summary of registration work is:

Graves registered in France, zone of the armies, 51,001; in France, zone of the interior, 17,506; in British Isles, 2,519; in Germany, 1,207; in Belgium, 1,015; in Luxemburg, 154; in North Russia, Archangel, 111; in Italy, 76; in Spain, 2. Total 73,591.

Of the dead buried in the British Isles 1,812 are in England, 680 in Scotland, 26 in Ireland and 1 in Wales. These dead will be the first brought back, in all probability, and it is anticipated the first returns will start from Southampton within two months.

The return of the bodies from the zone of the interior in France will begin about the same time or shortly thereafter, it is expected.

No special ships will be employed for the returning of the bodies, but army transports will be utilized, inasmuch as the returns will be by gradual process.

Ford
THE UNIVERSAL CAR

Sixteen Years Experience

For sixteen years, a corps of metallurgists have been studying constantly perfecting the steel that goes into every part of the Ford car and the Ford One Ton Truck. Each separate part has been studied to learn the type of steel best fitted for it. Parts receiving constant surface-wear are made of hard, flint-like metal; parts subjected to great vibration or resilience are made of softer, springy steel. Every part is made according to its use—that is, every Genuine Ford part is.

But there are also counterfeit "Ford" parts. These imitations are made by concerns in no way connected with the Ford Motor Company and retailed as sidelines by mail-order houses, down-town stores, and many garages. The unsuspecting customer accepts them because they are called "Ford" parts. To make sure of getting the genuine Ford-made parts, buy them only from Authorized Ford Dealers. Likewise, bring or take your Ford car to our garage for repairs, replacements, and general "tuning up."

We are Authorized Ford Dealers. We can supply you with all Ford parts for either passenger car or truck. And our shop is equipped to give real Ford service in all repair work.

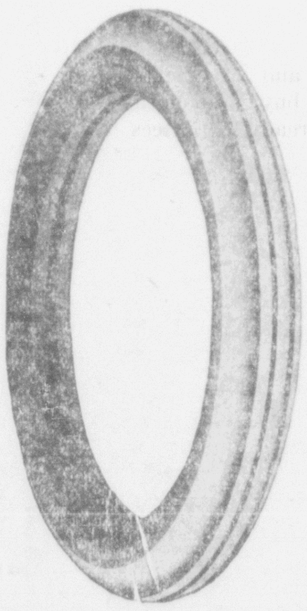
Extra Thick Tires

During the years we have been repairing, retreading and rebuilding tires, we have continually added to our plant until we have a complete rebuilding equipment, and we have perfected a process that "reclaims" good, worn automobile tires and gives them another lease of life almost as long as when they first came from the factory.

KRAMER'S
Double Fabric Construction
Re-built Tires



are made by taking a good, strong carcass from which the rubber has been worn, and adding both fabric and rubber—both tread and side walls—inside and out, until it is THICKER THAN A NEW TIRE.

The fabric and rubber are moulded together in our modern steam presses till they are one solid material, molded with ribbed tread—the kind that stay in the road.

These rebuilt tires often give as much mileage as they did when new—sometimes more—and they will average 75 per cent mileage at 50 per cent the cost of new tires.

This makes them more economical than any other tire.

Three Reasons

Why one should carry a Bank Account

1. Because your money is safer in a bank than anywhere else.
2. Because paying bills by check is the simplest and most convenient method, as well as the safest, as your check becomes a receipt for the debt it pays.
3. Because it gives a better standing in the community, among the business men, to pay by check rather than cash.

PROFITEERING LANDLORDS TO PAY INCOME TAX.

George E. Crutchley, internal revenue collector, has issued the following in regard to income tax of property holders.

Profiteering landlords will be held to the straight and narrow path in paying their income taxes this spring. For the tenants are doing the driving and holding the whip.

Revenge is sweet to the tenant who has had to die deep into his earnings to pay a high rental in 1919. Gathering his family around him, he takes his scratchy family pen in hand, searches the ink bottle for that last drop of ink, and with a master stroke informs the Commissioner of Internal Revenue that he, Bill Brown, of the Hallroom Apartments, paid to John Smith, 13 case Profiteer avenue, Anywhere, U. S. A., ing the year 1919.

By gathering these reports from all the Bill Browns who are running themselves ragged to pay their rent, the Internal Revenue Bureau will have the information needed to see that the Profiteer Smiths pay proper tax or face prosecution.

The Information Returns now due covering payments of salaries, wages, rent, interest, and other income serve as useful data for ruining down tax dodgers and for checking up millions of returns to see that proper tax is paid.

Large business houses have been faithfully making these information reports for several years and have cooperated wholeheartedly with the government's checking system. The same obligation rests on smaller businesses, and on professional men; also on persons and organizations who employ secretaries, chauffeurs, servants, or persons in any capacity.

The Revenue law requires the filing of these Information Returns in each year where the total of payments during 1919 to any person, partnership, or fiduciary was $1000 or more. Forms 1099 and 1096, on which the returns must be made, are now available at the offices of collectors of Internal Revenue.

A SAFE TEST.

For those who are in need of a remedy for kidney troubles and backache it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Maryville people.

Miss Harriet McClurg, 409 E. Thompson St., Maryville, says: "For a week and lame back together with irregular action of the kidneys, Doan's Kidney Pills proved to be just the thing in my case. I was troubled so from pain and weakness in my back, hips and loins that I could hardly go about. My kidneys also acted too often, especially at night. Doan's Kidney Pills cured the trouble, and my health is now unusually good."

OVER SEVEN YEARS LATER Miss McClurg said: "It certainly is a pleasure to confirm my former recommendation for Doan's Kidney Pills. It has been a long time since I have had to use them, so I consider the benefit permanent."

Valentine Party.

Mrs. Earl O. Henderson will give a birthday party from 3 to 5 o'clock Saturday afternoon in celebration of the eighth birthday anniversary of her daughter, Viola. Colors suggestive of Valentine's Day will be used in the decorations and refreshments.

No Circle Meeting.

There will be no meeting of the Homemaker's Circle of the Methodist church, South until the regular March meeting. The members of the Circle were to have met tomorrow afternoon at the church for the February meeting, but owing to a number of the members being ill, meeting had to be called off.

I. I. Club.

The Ireland Industrial club met yesterday at the home of Mrs. B. C. Hall living northwest of Maryville. Following the business session, the afternoon was spent socially. The attendance at yesterday's meeting was small owing to the great amount of illness among the members. Those present were Mrs. Lon Hughes, Mrs. Mayme Taylor, Mrs. Andrew Fink, Miss Jennie Duncan, Miss Lydia Onstott and the hostess.

Smith-Hughes Club.

A meeting of the Smith-Hughes Club (of the Maryville High School) was held Tuesday after school hours at the school house. The president, Evelyn Raines, called the roll, which was answered by jokes. This was followed by a short program given by two of the members, Thelma Hunter and Roberta Mitchell. Plans were discussed for the future meetings of the club, which concluded the business session and program, and the remainder of the meeting was spent socially. Refreshments were served by the hostesses, Gladys Taylor and Aleyene Smith.

Herron Circle Meets.

An all day meeting of the Herron Homemaking Circle was held yesterday at the home of Mrs. Harry Hartness. The entire day was spent in needlework. At noon dinner was served buffet style by the hostess assisted by Miss Edith Hartness. Those present were Mrs. Charles Porter, Mrs. S. E. Fisher, Mrs. Dave Neidel, Mrs. J. C. F. Taylor, Mrs. Virgil Guthrie, Mrs. Will Osborne, Misses Grace Fisher, Esther Neidel, Mary Taylor, Edith Hartness, Augusta Mae Yerk, Margaret Porter, Mary Margaret Hartness and Robert Porter. The next meeting will be held on February 25, at the home of Mrs. Charles Porter.

Lodge Meeting.

The Eastern Star Chapter will meet at 7:30 o'clock Friday night at the I. O. O. F. hall.

Elk's Dance.

One hundred and fifty invitations were issued today to the jazz valentine dance which will be given next Monday night at the Elk's club. The committee in charge composed of C. Edward Cook, Paul Basford, Mrs. Oliver K. Bovard and Mrs. W. J. Montgomery have practically completed the arrangements for the party dance and everything points toward an enjoyable time. The program will begin at nine o'clock sharp and the favor dances, novelties and surprises will be in full swing until the evening's entertainment is over. A large number of out of town guests are expected.

Birthday Party.

Elizabeth DeMoss celebrated her fifth birthday anniversary yesterday by entertaining a number of her friends from 4:30 until 6:30 o'clock at her home, 222 South Walnut street. Games and music furnished entertainment for the little folks. The table was centered with a white birthday cake holding five lighted tapers. Refreshments were served by Mrs. DeMoss assisted by Florence and Katherine Wray. The guests included Margaret Swinehart, Sarah Ruth Cox, Virginia Bennett, Betty Helmers, Lucile Snyder, Katherine and Florence Wray, Mary and Jimmie Jackson, Ford Bradley, Howard Wray, Jr., Mildred Sheridan, Lillian Murrin and Frederick DeMoss.

J. F. MONTGOMERY TO BUILD NEW HOME SOON.

J. F. Montgomery will soon begin the erection of a new home on the lots at the corner of West Third and Dunn streets, which he recently purchased.

Mr. Montgomery will erect a two-story tile stucco residence of six rooms, 30x32 feet. The work will be superintended by Frank Orcutt.

Sixth Riot Victim Dies.

Lexington, Ky., Feb. 12.—James Mesengale died here today, being the sixth victim of the riot in which members of the mob were storming the court house in an effort to lynch Will Lockett, a negro slayer of little Genova Hardman. He was shot down by militiamen. The martial restrictions were declared off today but martial law still remains.

Robbed Soldier Dependents.

Chicago, Feb. 12.—Six members of the postoffice "ring" charged with robbing maimed soldiers, widows and other dependents of the Yanks killed overseas, are under arrest today. It is believed the amount stolen will run in excess of $100,000.

Mrs. Foster Home.

Mrs. William Foster returned last night from Chicago, where she was called some time ago by the death of her nephew.

A marriage license was issued today to William G. Lewis and Lela F. Martieke, both of Stanberry.

When Work is "Real Fun"

The woman who feels "fit" and full of energy through a long busy day is the woman whose dress expresses not only style and smartness but real comfort as well.

You'll find that comfort in

Mina Taylor Dresses
For Discriminating Women

For Mina Taylor dresses are made as carefully as if in your own sewing room. Materials are chosen by experts who are as particular as you yourself about fast colors and sturdy fabrics.

Buttonholes are worked with a "lock stitch" that cannot run, insuring a wear-proof, non-ravel buttonhole. Just a small detail but it's typical of Mina Taylor workmanship.

Trim, even stitching makes all seams secure. There is plenty of room across the hips and shoulders and through the bust, so there is no binding to annoy you.

The master patterns are fitted to living models, so that you can buy and wear your proper size with comfort. And allowance is made for shrinkage after laundering, so that your Mina Taylor is just as comfortable after washing as before.

Are you looking for comfort in your work? Then a Mina Taylor is just the thing for you. And you'll find here a variety of the prettiest styles to choose from that you ever saw.

COLLEGE BEAR CATS AFTER WARRENSBURG SCALP TONIGHT

Game Called at 8:15.— Girls Basket Ball Team to Entertain Visitors and Student Body

A big rousing "pep" assembly was held at the State Teachers college this afternoon as a compliment to the basket ball "Bear Cats" who are out to win tonight in the game with the Warrensburg State Teachers college team to be played at the college. The game will be called at 8:15.

The game to have been played last night between the Warrensburg and Tarkio teams at Tarkio, was cancelled on account of the illness of a number of the Tarkio players.

On the four game tour of outsides games last week, the Bear Cats lost to the Warrensburg team by a score of 41 to 15 in the game at Warrensburg on Feb. 5, so the home quintet is out for the other fellows scalp tonight.

After the game tonight, the girl's basket ball team will entertain the Warrensburg team and rooters, the Bear Cats and student body at the college.

Birth a Elmo.

Mr. and Mrs. William Bucker of Elmo announce the birth of a son last night.

MRS. SAMUEL LUTZ DEAD. LIVED HERE FIFTY YEARS

Funeral Will be Held Tomorrow at Methodist Church of Pickering— Burial at Hopkins.

Mrs. Samuel Lutz of Pickering died at 11 o'clock last night at her home in Pickering. About three years ago Mrs. Lutz fell and broke her hip and since that time she had been failing in health. She was seventy five years old and with her husband, Samuel Lutz, a retired farmer, had lived in Pickering for eleven years.

Mrs. Lutz, who was Miss Nettie Ulmer, was born in Scotts County, Ind., on January 4, 1845. For fifty years she and her husband made their home on a farm northwest of Pickering. She is survived by her husband and one brother, James Ulmer, Sr., of Hopkins. Mrs. Alva Ingles living northwest of Pickering made her home with the Lutz family for many years.

Funeral services for Mrs. Lutz will be held at 10 o'clock tomorrow morning at the Methodist church in Pickering and will be conducted by Rev. C. F. Green. Interment will be in the Hopkins cemetery.

STATE NEWS LETTER.

St. Louis—Railroad operating in Missouri as well as the southwestern region—will be returned to private ownership in as good shape as when the government took them over two years ago, today declared Regional Director B. F. Bush, in announcing that plans for the return of the roads in the southwestern district have been practically completed.

Director Bush declared the road beds have been improved and the roll ng stocks in good condition.

"Government operation has not been so hard on the roads as the operation during the preiod just prior to the control being given over to the Railroad Administration," he added. "Regulations under which they were operated then were especially severe.

"Everything is in readiness to turn the roads of the southwestern district back to private ownership and operation. All that remains is the transfer of accounts and the settlements between the Railroad Administration and the owners."

Director Bush stated he would resume his office as president of the Missouri Pacific when the roads are given back to private control.

Jefferson City, Mo.—Saloon keepers whose applications for refund on unused licenses are already swamping the office of State Auditor Hackman, must wait until the legislature meets next January before then can collect balances then due them from the state.

Although the last legislature passed a bill providing for refund on licenses which were unexpired when prohibition drove dramshop keepers out of business, the saloons failed to appropriate the necessary money to cover the refunds, principally because it was impossible to esitmate then what the refund would amount to. Consequently, all the auditor's office can do is to file the claims and await legislative action making money with which to pay them available. Refunds on municipal and county licenses can be made immediately, however, Auditor Hackman stated.

Over two thousand applications have already been filed, it was stated, and many more are expected.

Kansas City,—Search was being conducted today for five women—including three negresses—who escaped from the Jackson county jail late yesterday, by making a rope from blankets down which they slid thirty feet, making their escape before deputy wardens knew what was happening. The prisoners were said to be drug addicts sent to the jail for safe keeping after they had attempted to burn the city workhouse.

WOMEN'S ST TE CLUB HEAD WOULD BETTER SCHOOL SYSTEM

Mrs. George A. Still Condemns Indifference of Majority to Educational Conditions.

Kirksville, Mo.—The tendency of politicians to meddle in school affairs, and the indifference of a great majority of our citizens to educational conditions in the state were condemned today by Mrs. George A. Still, president of the Missouri Federation of Women's Clubs.

Mrs. Still said the common practice of some farmers in taking more interest in their livestock than in their children, the complacency with which many of our city people paid out large sums to industrial workers and yet penuriously dealt out a mere pittance to our educational workers, was intolerable, and she urged women's clubs throughout the state to make the betterment of the school system their aim this year.

"The politicians will have to stop juggling our school system," said Mrs. Still. "They have it in such condition now, it will require years of labor of the most strenuous sort to build it up again. The task needs the co-operation of every man and woman interested in the welfare of the children of the state.

"The state's school system has suffered a disastrous blow during the last year, through the abandonment of the profession of more than 3,000 capable teachers. They entered other work because salaries were so low they could not teach an dlive. When they left our educators had to fill their places with men and women who virtually were incompetents.

"How any school board can hope to hire a competent, quailfied teacher for $500 a year is beyond my understanding. Such pay is not even starvation wages, much less a salary. We must provide higher salaries by some means or there will be a greater shortage of teachers this year and the state's illiteracy per cent will reach an even more disgraceful figure within the next few years."
